Product Description:

ZGB is designed for the toughest marathon conditions.
Built in versatility between single, pair and team.

Design Features
Multi-purpose design of breastplate and saddle, which allows the same harness to be used for single, pair or team.
Breastplate and traces are all-in-one, with adjustment for length made behind the horse. (More accessible when driving multiples).
Tough 50mm traces with reinforced holes.
Choice of different trace endings to suit different types of carriages.
Moveable rein ring on wither, which can be lowered or raised to suit the head carriage and conformation of individual horses.
Shaped, padded girth for extra comfort behind the elbow.
Independent hanging noseband, with detachable flash strap.
Saddle has moveable pads which can be positioned to suit individual horse conformation. Padding extends down sides to minimise bumping from shafts or other horses in a multiple.

Suitable for
Competition driving
Trainers, particularly those working from single to pair frequently.
Pleasure driving
Commercial driving

ZGB can be supplied in standard sizes or a mixture of sizes to suit individual horses.
All individual parts are available separately.
Detachable colour trim can be supplied to suit marathon colours.
Maintenance
Wipe clean, or hose down. Or tub wash in warm soapy water. Hang to dry. Zilco harness always maintains its strength regardless of how wet or dirty it becomes from heavy use.
Carry & Storage Bag
Each harness set is packed in an individual black deluxe leatherette carry bag with 3 external pockets for spares and accessories.
